PUBLIC SERVICE COMMISSION OF WISCONSIN

In the matter of the approval, pursuant to Chapter 31, Laws of 1915, as amended, of plans for the construction of a concrete control dam by the Town of Sevastopol across the outlet of Clark Lake known as Logan Creek in the SW 1/4 of the SW 1/4 of Sec. 3, T. 28 N., R. 27 E., Door County.

No. of sheets in set of plans:

Five (5)

Cover Sheet #1 showing location of dam and vicinity around Clark Lake together with hydraulic data of damsite.

Sheet #1 of 4 dated September 1936 - Topographic map of damsite showing location of dam and description, location, and elevation of benchmark.

Sheet #2 of 4 dated September 29, 1936 showing cross-sections and stream profile of Logan Creek near outlet of Clark Lake.

Sheet #3 of 4 dated September 28, 1936 showing map of outlet of Clark Lake and location of cross-sections shown on previous drawing with the normal shore line of Clark Lake.

Sheet #4 of 4 revised December 16, 1936 showing details of construction, riprapping, and bill of materials for proposed dam. Approved as noted by P.S.C. 2/4/37.

as on file in the office of the Public Service Commission of Wisconsin at Madison.

Examined and checked in so far as safety of design is concerned and recommended for approval. as noted.
